

FAMILY MATH NIGHT

RESERVE YOUR SPOTS
TODAY!

Parents: Award winning author and math expert, Greg Tang Sr. will engage parents in an unforgettable math education experience that is **sure to deepen your understanding of how your children learn math.**

Students: While parents are learning with Greg, children will participate in a series of 5 different challenging and engaging games that are **sure to get them excited about learning math!**

All: Parents join their children for the last 15-20 minutes of the night to **play games as a family.**

Coming
January
3rd!

Bring in the New Year with
a New Understanding
About Math!

K-5 FAMILY MATH NIGHT

Having trouble **helping your kids** with math at home?

Do you want to learn more about the math **skills, concepts and strategies** your children need to know?

Wondering why **math is taught differently** today than when you learned it?

**THEN, THIS NIGHT IS
FOR YOU!**

When: January 3, 2018

Where: DePaolo Middle
School

Time: 6:00-7:30 pm
